**Subject:** Montana Main Street hearing  
**Attachments:** Letter of support Main Street Program 2013.docx

Ms. Miltenberger,

Attached please find a letter of support for the Montana Main Street Program operating through the Montana Department of Commerce. It is my understanding that the Joint Appropriations subcommittee on General Government is receiving public testimony on their proposed budget (HB2). I would appreciate it if you would offer our letter in support of the program to all committee members prior to the vote tomorrow morning. Thank you for your assistance.
